

Hosting an opportunity at your facility

Facility Requirements

Beheld the Serpent S.T.E.A.M Academy will be honored to bring its opportunities to your facility. Before considering scheduling an opportunity at your location please verify that you have and can secure the following:

1. A proper indoor facility that provides heat or air conditioning for students, instructors, and equipment
2. The facility has bathrooms
3. Electricity to provide for 6 work stations
4. A facility that can be secured and locked
5. A facility contact person in case of accessibility issues
6. A facility that is insured
7. A facility that has windows that can be opened
8. A facility that contains at least 6 folding tables (preferably rectangular) and at least 12 folding chairs.
9. An eating area if the opportunity will be an all-day event.

In order to have a successful opportunity, the above will be required to host an opportunity at your facility. For opportunities that involve chemical experiments you may want to consider the floor surface. Beheld the Serpent S.T.E.A.M Academy will do its best to take precautions to prevent accidents but cannot guarantee accidents won't happen. Opportunities that involve chemical experiments will require a wavier to be signed by a church Trustee or a facility guardian to not hold Beheld the Serpent S.T.E.A.M Academy liable for damage resulting from the experiment.

What to Expect

Depending on the type of opportunity, representatives from Beheld the Serpent S.T.E.A.M Academy will establish a point of contact (POC) person from the hosting facility and coordinate a time for arrival and setup to maximize student learning.

Keep in mind when hosting a star party event or hosting an opportunity that includes an astronomy observation lab the weather must be compliant. Also, location is key for night time observation. If you are hosting in an area where there is a lot of light pollution, like near a city, observation will be hindered.

Hosting an opportunity at our facility

We welcome groups to host an opportunity at our facility. Contact us at 931.409.3259 or info@beheldtheserpent.org to schedule an opportunity today.

Meals

Beheld the Serpent S.T.E.A.M Academy does not provide any meals or food service to the students. If the opportunity is an all-day event the student should pack a lunch. We typically break for 30-45 minutes to eat.
